

Snickerigrund Aqua

Product description

Snickerigrund Aqua is a water based primer, especially for painting door frames, furniture and other woodwork indoors. The product has very good adhesion to most substrates and gives an excellent foundation for Mästar enamel paint.

Snickerigrund Aqua is easy to apply with good flow, which minimizes visible brush strokes in the paint. It also has very high solids content which provides excellent colour opacity.

Snickerigrund Aqua is produced in Sweden.

TECHNICAL DATA:

Area of application	Indoors
Binder	Acrylic
Volume Solids	36%
Density	1,39 g/cm ³
Viscosity	180
Gloss	4 (matt)
Thinner/Cleaning	Water
Material consumption	6–8 m ² /L.
Temperature at painting	Minimum +5°C
Tools for painting	Brush, enamel-roller and (after dilution) sprayer
Dust dry	1–2 h
Re-paintable	4 h
Completely dry	24 h
Shelf life	2 years if unopened, frostless storage
Colour	White
Flammability	Not flammable
VOC category	(Cat. A/d): 130 g/l (2010)

Snickerigrund Aqua

How to use

Pre-painting

Always start by reading the instructions on the label. It is important to be thorough from the beginning. The use of correct tools and a carefully performed base is the foundation for a successful result. Do not paint if it is below +5°C. Stir the paint properly from the bottom before starting painting. The surface must be clean, dry and firm. Scrape off old, loose paint. Sand and wash previously painted surfaces with appropriate cleaner and rinse with water. Remember to protect floors and furniture thoroughly before beginning to paint.

Painting

Prime the surface 1–2 times with Snickerigrund Aqua. Be sure to wipe away any dust before top coat is applied.

On doors and other large surfaces, the paint can preferably be rolled with felt rollers before levelling with paint brush.

Post-painting

Wipe off the tools thoroughly before cleaning in water. Seal the tin carefully after use and keep out of reach for children. Liquid residues may not be poured down the drain, but be submitted to the local collection point. Protect the environment, like we do.
